DEI-LY LIGHT

JANUARY 2025 NEWSLETTER

Dear Gloria Dei family,

2025. I like the sound of those numbers - sturdy, memorable, and hopeful, like something important is going to take place this year. Some of you may remember the hysteria associated with 2000, at least to me, 2025 seems to say, *'We'll get through this...'*

Of course, we follow the **Christian calendar** which begins with Advent. We're now in the Season of Christmas, which is all about the hope of a baby who is the Messiah. The date of Christmas was chosen by the church to celebrate hope at the darkest time of the year. God will find a way (actually, God did make a way - a way through darkness, despair, and death.).

Speaking of darkness, in the **Jewish tradition** the day begins at nightfall, starting their day at nightfall because according to the biblical poem in Genesis, *"There was evening and there was morning, the first day."* The day starts at sunset and continues through the following day.

You may feel your year has started in darkness, but there's *"joy for all people."* Hang on. Hold on. Keep being the church. Pray for one another. Practice Kindness - *"Good will to all."* The light has come and is coming.

Speaking of light and looking forward, here's a couple things to put on the calendar now:

- The amazing piano duet of Stephanie Trick and Paulo, January 5, 2025.
- The 60th Anniversary of Gloria Dei on Friday, September 19, 2025. (There's gonna be a party!)

A blessed and happy New Year,

A handwritten signature in blue ink that reads "David R. Mattson".

Pastor David R. Mattson

MICHELLE LUM

MINISTER OF ART & MUSIC

I was in the car with my family around sunset time, and we stopped at a light by our house. We were in just the right spot at just the right time, because you could see the leaves glow. I love golden hour. It makes the world more magical! It struck me as funny though because those leaves were nothing much; they were brown and shrivelled, probably soon to fall off. And yet from where we were, the sunlight streaming through these leaves made for a stunning view of rich red hues and golden browns.

Light really does make all the difference. It reveals things we had not seen before; it gives us a new perspective. I think that's why Jesus calls himself the light of the world (John 8:12). If you're confused, or in a murky situation, Jesus can bring you clarity! He can show us things we miss when we get caught up in our day to day lives.

As we start another year, in this season of epiphany, may God illuminate our lives and bring clarity to the murky parts of our experiences.

SHELLI PARAJECKAS, PRESCHOOL DIRECTOR

PRESCHOOL

Gloria Dei is a place where children play and pray!

2025? I can remember a time when I couldn't imagine getting to this particular year; it seemed so far away. It's here and it's a big one for many reasons. Our church is celebrating 60 years and the preschool will reach 45 years. As I reflect, I am proud of how our preschool has evolved and grown. We've overcome difficult times and continue to be adaptable to the changing needs within our community.

Coming into this school year I wanted to challenge myself with growth and change. To work toward that goal, I'm completing a Director Mentorship program. I've also done some of our Fall events differently & found the changes have been positive for both the preschoolers & the preschool staff. At the end of this month we are going to host our first preschool "Sweetheart Sock Hop" & we anticipate it will be a "swinging" good time!

I'm entering 2025 with a desire to grow, to embrace change, and to work on being the best version of myself. I want to be a positive influence to my staff, my parents, and especially to my students. As Mahatma Gandhi said, "Be the change you want to see in the world."
